

# EARTH AHEAD

Workshop FLOENE - INDUSTRY OF THE FUTURE  
12<sup>th</sup> July 2023

SUSTAINABLE  
HYDROGEN  
SYSTEMS

# Sustainable Hydrogen Systems

HIGH EFFICIENCY

Zero/Near Zero  
Emissions

# Our Vision

Making our company a reference in the field of energy efficiency, by ensuring a performance based on the trust of all the stakeholders, focusing into profitability and sustainability.

Developing **green technology**  
for a **better world...**

Improving the  
Combustion  
Efficiency

Hydrogen  
Production  
Energy  
transition

Lower  
Carbon  
Footprint

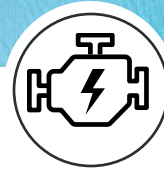

Lower  
Environmental  
Impact

# Key Business Pillars

**CONTINUOUS COMBUSTION**

**INTERNAL COMBUSTION**

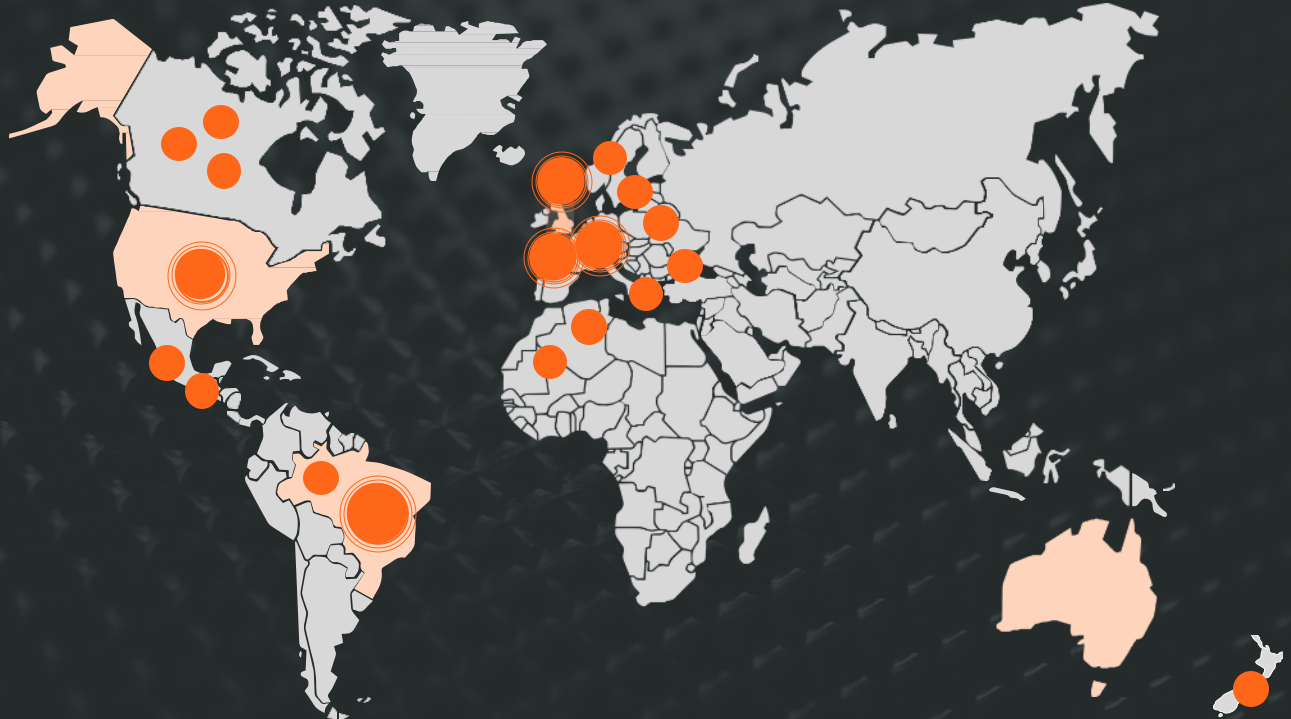

**HYDROGEN PRODUCTION**

# Worldwide presence

**UTIS has a worldwide presence** in all continents, with its systems installed and operational in several countries. By the end of 2022, we had a commercial presence in more than 60 countries in several business areas.

- Africa
- Central America
- Central Asia
- Europe
- Middle East
- North America
- Oceania
- South America
